

## Table 9

# Toxic water pollution in Vermont

Companies reporting toxic discharges to water (1990-1994)

City: East Ryegate, Vermont

Facility: **CPM Inc.**

|                             |                   | Pounds of toxic chemicals discharged to water |      |      |      |      |            |
|-----------------------------|-------------------|---|------|------|------|------|------------|
| Chemical discharged         | Receiving water   | 1990  | 1991 | 1992 | 1993 | 1994 | 1990-1994  |
| <b>All toxic chemicals</b>  |                   |   |      |      |      | 250  | <b>250</b> |
| Ammonium sulfate (solution) | Connecticut River |   |      |      |      | 250  | <b>250</b> |

City: Essex Junction, Vermont

Facility: **IBM Corp.**

|                            |                 | Pounds of toxic chemicals discharged to water |        |        |       |      |                |
|----------------------------|-----------------|---|--------|--------|-------|------|----------------|
| Chemical discharged        | Receiving water | 1990  | 1991   | 1992   | 1993  | 1994 | 1990-1994      |
| <b>All toxic chemicals</b> |                 | 70,020  | 44,000 | 30,000 | 1,200 |      | <b>145,220</b> |
| Ammonia                    | Winooski River  | 70,000  | 44,000 | 30,000 |       |      | <b>144,000</b> |
| Acetone                    | Winooski River  |   |        |        | 1,200 |      | <b>1,200</b>   |
| Ethylene glycol            | Winooski River  | 20  |        |        |       |      | <b>20</b>      |

City: Gilman, Vermont

Facility: **Simpson Paper Co.**

|                            |                   | Pounds of toxic chemicals discharged to water |      |       |      |      |              |
|----------------------------|-------------------|---|------|-------|------|------|--------------|
| Chemical discharged        | Receiving water   | 1990  | 1991 | 1992  | 1993 | 1994 | 1990-1994    |
| <b>All toxic chemicals</b> |                   |   |      | 2,113 |      |      | <b>2,113</b> |
| Manganese compounds        | Connecticut River |   |      | 2,113 |      |      | <b>2,113</b> |

City: Lowell, Vermont

Facility: **Vermont Asbestos Group Inc.**

|                            |                 | Pounds of toxic chemicals discharged to water |      |      |      |      |              |
|----------------------------|-----------------|---|------|------|------|------|--------------|
| Chemical discharged        | Receiving water | 1990  | 1991 | 1992 | 1993 | 1994 | 1990-1994    |
| <b>All toxic chemicals</b> |                 |   | 250  | 250  | 250  | 250  | <b>1,000</b> |
| Asbestos (friable)         | Burgess Branch  |   | 250  | 250  | 250  | 250  | <b>1,000</b> |

City: Troy, Vermont

Facility: **Agri-Mark Inc.**

|                            |                         | Pounds of toxic chemicals discharged to water |      |      |      |      |               |
|----------------------------|-------------------------|---|------|------|------|------|---------------|
| Chemical discharged        | Receiving water         | 1990  | 1991 | 1992 | 1993 | 1994 | 1990-1994     |
| <b>All toxic chemicals</b> |                         | 21,123  |      |      |      |      | <b>21,123</b> |
| Nitric acid                | Coburn Brook - Troy Vt. | 21,123  |      |      |      |      | <b>21,123</b> |
