Thank you. I forwarded the attorney's email to you (Allison). She is very nice. I spoke to her a few weeks ago, to provide her some background on formaldehyde. She comes from an NGO background. Finally, someone who cares about the public.

Hello,

I must get through the formaldehyde review. I have been contacted by an OCC lawyer about possible timelines that the review might be available.

We can then possibly share the draft, while it goes through OCAC clearance.

I am having trouble with the outlook on the laptop, but my iPhone is fine, so I am on email. But I will be reading for the next few hours.

Please contact me if you need to. (b) (6).
