

# Ultra-Fresh FT-7

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Ultra-Fresh FT-7** is an additive designed for application to textiles and polymeric systems at 1-1.5% on weight of goods to prevent the growth of bacteria and fungi on these surfaces. The product can also be sprayed on the outside of footwear for protection against mold and mildew. Refer to the Technical Data Sheet for specific applications.

## ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

## BACTERIOSTAT & FUNGISTAT

### ACTIVE INGREDIENTS

2-n-Octyl-4-isothiazolin-3-one .....	6.1%
5-chloro-2-(2,4-dichlorophenoxy)phenol .....	1.0%
<b>INERT INGREDIENTS</b> .....	92.9%
<b>Total</b> .....	100.0%

## STORAGE AND DISPOSAL

**Prohibitions:** Do not store or transport in unlined metal containers. Do not contaminate with strong oxidizing or reducing agents. Do not contaminate water, food or feed by storage or disposal or cleaning of equipment.

**Pesticide Disposal:** Pesticides are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

### Container Disposal

**Metal Containers:** Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.  
**Plastic containers:** Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**General:** Consult Federal, state, or local disposal authorities for approved alternative procedures.

## KEEP OUT OF REACH OF CHILDREN WARNING
