Dear Brendan,

This is to confirm our telephone conversation of 5/3/02, in which I requested a time extension to respond to your FOIA Request Number HQ-RIN-015332-02 concerning specific documentation on Anniston, Alabama. Thank you for the additional 10 day extension which will extend our response time an additional 10 working days from the date of this request. Our due date is now 5/17/02. It is hoped that we will be able to fully comply within that timeframe. However, if additional time is needed, I will notify you immediately.

Thank you for your granting of our time extension request.
